

# Contract for Life

This is a contract between people who care about each other: a teenager and a parent, guardian or trusted adult.

## Teenager Contract:

Because I am a teenager beginning to understand the perils of taking risks, I \_\_\_\_\_ (name of teenager) agree to call you for advise and/or transportation at any hour, from any place, in any situation, when I feel uncomfortable or unsafe, or have been drinking or am otherwise impaired, or with a friend or date who is in a similar situation.

Yes, I choose life! \_\_\_\_\_

## Parent/Guardian or Adult Contract:

Because I care about you and others, I \_\_\_\_\_ (name of adult) agree to come and help you at any hour, any place, no questions asked, or pay for a taxi to bring you home safely. We will talk about the situation together at a later time.

Also, in agreement as a parent, guardian or trusted adult...

If I am in a situation where I feel uncomfortable or unsafe, or have had too much to drink or am otherwise impaired, or the person driving me is in a similar condition, I agree to seek safe transportation home.
