

## Thunder Bay Regional Health Sciences Centre

### ***Cardiology Recruitment***

The Division of Cardiology at the Thunder Bay Regional Health Sciences Centre (TBRHSC) is seeking a **General Cardiologist** to join the physician team. The successful candidate would function as a general Cardiologist and be proficient in performing all Cardiology related procedures (s). While compensation for this position will be on a Fee-For Service basis through billings with OHIP, an estimated yearly salary range of \$350,000 - 400,000 could be expected.

TBRHSC is a state of the art, 395 funded bed acute care facility. Our hospital provides coverage to a regional population base of 250,000 people and delivers all services including Cardiac Surgery in collaboration with the University Health Network (UHN). We are also the Regional Trauma Centre and Cancer Referral Centre for Northwestern Ontario. For more information please visit us at: <http://www.tbh.net>.

Teaching, research and continuing professional development opportunities for physicians and health professionals are offered through numerous institutions, including the Northern Ontario School of Medicine (NOSM) and the Thunder Bay Regional Research Institute (TBRRI).

Interested candidates are invited to inquire about this opportunity by sending their curriculum vitae by email to the attention of:
