## Vascular Surgery

Thunder Bay Regional Health Sciences Centre (TBRHSC) is seeking a qualified Vascular Surgeon to join our growing team!

TBRHSC is the sole tertiary hospital servicing all of Northwestern Ontario, made up of 395 funded acute care beds and home to the Northern Ontario Regional Cancer Centre and the Thunder Bay Regional Research Institute (TBRRI). We are affiliated with the Northern Ontario School of Medicine (NOSM), and are the Regional Level II Trauma Centre for Northwestern Ontario. We provide coverage to a regional catchment area of 250,000 people, covering all specialties. The city of Thunder Bay offers a perfect balance of urban and rural life including affordable housing, excellent schooling at all levels and incredible outdoor opportunities for the healthy living enthusiast. Thunder Bay provides a vibrant, culturally diverse community with access to fine dining and the arts, all of which make this community a wonderful place to live, work, or raise a family.

Our Vascular Surgery Service currently operates with one full time physician along with the support of a Physician Assistant. This exciting opportunity provides the chance to join and be involved in building a program with a full range of open and endovascular interventions. As the regional centre for Northwestern Ontario, our Vascular Surgeons also provide consultation services for regional health care providers.

The preferred candidate will have certification in Vascular Surgery as well as be licensed or eligible for a license to practice in Ontario with the College of Physicians and Surgeons of Ontario. Remuneration for this position is by billing **Fee For Service** under the Ontario Health Insurance Program (OHIP).

Interested candidates are requested to reply with a covering letter and curriculum vitae to:
