

What to Bring to Your Appointment With the Pharmacist

- A list of your current medications including prescription drugs (pills, patches, inhalers, eye/ear drops, creams, injections). Alternatively, bring all your current medications in their original packages.
- Vitamins, herbal products or other treatments you are using.
- Over-the-counter or non-prescription medications.
- Any medication you need during the day such as for pain, diabetes and smoking cessation.
- Detailed information about any drug allergies you have, including when you found out about the allergy, what happened, and how it was managed.
- Reading glasses, notebook and pen to write down questions you wish to discuss.
