

North West LHIN Regional Rehabilitative Care Program Presents: Best Practices Conference 2018

Join us for this conference to network and receive updates on best practices, Health Quality Ontario standards, new models of care and clinical skills.

DATE: Thursday, Nov 15th 12-5 PM
Friday, Nov 16th, 8 AM - 12 PM

LOCATION: St. Joseph's Hospital
Conference Rm A
East Wing, Level 0
Thunder Bay, ON

We will be launching our new Regional Rehabilitative Care Program website and sharing the Rehabilitation Discharge Planning Toolkit.

This conference open to rehabilitation professionals working with adults across the continuum of care throughout the North West LHIN including:

Nursing, Social Workers, Discharge Planners, Rehabilitation Assistants. Other rehab professionals are welcome.

Conference participants will have the opportunity to:

- Tour programs at St. Joseph's Hospital
- Learn supportive conversation techniques
- Understand bowel and bladder continence
- Understand the new standards for pressure injuries
- Improve interprofessional learning engagement
