Have you had a Stroke?

Free Therapy is Available!

You may be eligible for a research study. We are evaluating the benefits of a rehabilitation program delivered online.

Therapy will take place in your home approximately twice a week for one hour and last for about 8 weeks.

Before and after the therapy you will be tested to see if the therapy helps you. Financial compensation will be provided for study participation.

Eligible persons:

- Have had a stroke more than 3 months ago
- Have a computer, a webcam and high speed internet
- Are able to identify at least three things you want to/need to do in your daily life but are having trouble with
- Are 18 years of age or older

Participation is CONFIDENTIAL

For more information, please contact:

Study coordinator, 416-785-2500 ext. 3377, email: ybar@research.baycrest.org
