REHAB WEEK 2019

24-28 JUNE 2019
TORONTO, CANADA

SAVE THE DATE

WELCOME TO REHAB WEEK 2019

After Zurich, Valencia, and London, **RehabWeek 2019** will take place in Toronto, Canada, from **June 24 – 28, 2019**.

The largest and most culturally diverse city in the country, Toronto is the perfect place to unite the most inspiring, innovative, and successful minds in rehabilitation technology.

The week-long event brings together different conferences in the field of rehabilitation technology and includes common keynote lectures and other mutually organized sessions such as panel discussions and poster sessions.

This time, we are proud to announce that not only four but **six reputable societies** will be part of RehabWeek 2019, namely

- the International Functional Electrical Stimulation Society (IFESS)
- the International Consortium on Rehabilitation Robotics (ICORR)
- the International Industry Society in Advanced Rehabilitation Technology (IISART)
- the American Congress of Rehabilitation Medicine (ACRM)
- the Rehabilitation Engineering and Assistive Technology Society of North America (RESNA)
- the International Society for Prosthetics and Orthotics (ISPO Canada)

We look forward to seeing you in Toronto!
