

UPCOMING

ACLS Renewal Course

WEDNESDAY, DECEMBER 11 2019

0830h-1630h in Auditorium A at TBRHSC

Target Audience: This course is designed for healthcare providers who either direct or participate in the management of cardiopulmonary arrest or other cardiovascular emergencies.

→ All students must have a valid provider card within card within the last 2 years and have a Heart and Stroke Foundation BLS card, dated within 12 months of the ACLS course as a prerequisite.

→ The Heart and Stroke Foundation has designated its advanced life support courses with basic life support skills as the foundation. The ACLS Course does not test all the skills for BLS and does not have the BLS exam included (Heart and Stroke Foundation, 2015).

Course Pre-requisites:

Health Care Providers who take this course must complete and pass the Precourse Self-Assessment with a score of 70% or higher, have a current Heart and Stroke Foundation BLS course completion card and be proficient in the following:

- Performing high-quality BLS skills as per the 2015 Guideline updates for CPR and ECC
- Basic ECG interpretation
- Understanding ACLS drugs
- Bag-Mask Ventilations

For Professional Staff, Learners and Un-sponsored Departments: \$325

- Sign up online via TBRHSC DualCode LMS

****If you are Department Sponsored please contact Ashley at chiewa@tbh.net or at 684-6250 to sign you up.****
