

UPCOMING

PALS Renewal Course

MONDAY, APRIL 4 2022
0830h-1630h in Iba Sina
Simulation Centre at TBRHSC

Target Audience:

The **PALS Provider Renewal** course is a fast-paced course. It is designed for proficient PALS providers who regularly direct or participate in the management of cardiopulmonary arrest or other cardiovascular emergencies in critically ill or injured children and who holds a current PALS Provider certificate. This course assumes a comprehensive awareness, knowledge and skill proficiency in PALS concepts, and is best suited for providers who use these skills frequently and therefore require limited practice to be successful.

Learners will practice and apply their knowledge to case scenarios applying the proven systematic approach to pediatric assessment, treatment algorithms and coordinated high-performance team dynamics, in both team leader and team member roles.

Course Pre-requisites:

Participants must have a current Heart and Stroke BLS certificate within 12 months of the course date.

Participants should be proficient in:

- ECG interpretation
- PALS medication administration
- Bag-mask Ventilation

TBRHSC Employees: \$325

**Non-employees &
Professional Staff:** \$325

TBRHSC Department funded: Free

Provider Manuals (mandatory) and ECC Handbooks (optional) can be purchased from the Interprofessional Education department.
