# BLS Provider Course

NEW HEART AND STROKE  
2020 GUIDELINES

**MONDAY, AUGUST 8 2022**

**at 9:00am-12:00pm**

**in Ibn Sina Simulation Lab (3rd Floor)**

Infused with Heart & Stroke's 2020 Guidelines for CPR and ECC, our new BLS program offers an engaging and flexible new way of learning.

In this course, you will learn the fundamental skills of high-quality cardiopulmonary resuscitation (CPR) for victims of all ages. You will practice delivering these skills as a single rescuer and as a member of a multi-rescuer team.

The skills you learn in BLS will enable you to:

- Recognize a cardiac arrest
- Activate the emergency response system early
- Respond quickly and confidently
- Perform high-quality single-rescuer CPR and multi-rescuer team CPR

This course will ensure people in cardiac arrest have the best chance of survival.

**TBRHSC Employees: \$60**

**QCPR Training**

Health & Fitness

★★★★☆ 5

Download the QCPR Training App (for any iOS or Android device) in advance, and at the course you can pair with the mannequin via Bluetooth to monitor your performance!

To register please use the link below (through Eventbrite):
