General Neurosurgeon

Full-Time Academic Surgeon

Effective Date: August 1, 2027
Salary Type: Alternative Funding Plan
Location: Thunder Bay Regional Health Sciences Centre

POSITION SUMMARY

The Department of Surgery at the Thunder Bay Regional Health Sciences Centre / NOSM University is inviting applications for a permanent position in the Division of Neurosurgery. We seek one full-time General Neurosurgeon with profound experience or one year of postgraduate fellowship training in Skull base Neurosurgery who will join a group of three other neurosurgeons. The successful candidate should be competent and comfortable in the full scope of general neurosurgery.

Additional competences in skull base procedures, including endoscopic transphenoidal approaches, are desired, although the position will have a substantive clinical focus on general cranial neurosurgery. The surgeon will also participate in the general neurosurgery call schedule (1:3) and is expected to contribute to education, research, multidisciplinary conferences, and quality-improvement initiatives within the program.

REQUIREMENTS

- The candidate must be eligible for appointment at the rank of Assistant Professor or higher
- The candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada as well as licensure with the College of Physicians and Surgeons of Ontario.
- The candidate must have coverage with the Canadian Medical Protective Association (CMPA).
- Demonstrated excellence in knowledge, technical skills, judgment, professionalism, and ethical standards, supported by strong reference letters.
- General cranial neurosurgeon with dedicated expertise or fellowship training in skull base neurosurgery.
- Proficiency in English is mandatory.

Terms of Employment The income for this position is derived from a funding of the Ontario Ministry of Health in form of an Alternative Funding Plan in addition to renumeration for on call services provided by the hospital.

Salary range: $400,000 - $600, 000 annually
